

Social Media Policy

Corna Kokosing uses social media to provide an open source for two-way communication and welcomes comments, questions and ideas from all sides of the issues. "Social Media" broadly means any online media that allows for user publication, interaction, or publishing, including, without limitation, Facebook, YouTube, Twitter, Flickr, and Instagram. While our ultimate goal is to foster engaging, productive conversations, we also expect individuals to maintain an acceptable degree of civility.

We understand that social media is a 24/7 medium; however, we cannot monitor, post or respond to comments 24/7, but will respond as quickly as possible. Generally, we will post or respond to comments from 8 a.m. to 5 p.m., Monday through Friday.

Corna Kokosing monitors all comments and reserves the right to immediately delete any comment we deem inappropriate. Repeated violations of the department's comment policy may cause the author to be blocked from the social media site.

A comment may be deleted if it contains the following:

- Hate speech including but not limited to comments that promote, foster, or perpetuate discrimination on the basis of race, creed, color, age, religion, gender, marital status, genetics, status with regard to public assistance, national origin, physical or intellectual disability or sexual orientation
- Profanity, obscenity or vulgarity including creative spellings of swear words using asterisks or other symbols
- Sexual content or links to sexual content
- Personal attacks or defamation to a person or group of people
- Comments that infringe on copyrights
- Spam comments, such as the same comment posted repeatedly
- Any comments that violate one of Corna Kokosing's Core Values

Corna Kokosing disclaims any liability for any loss or damage resulting from any reliance on such information. Anyone who posts comments participates at their own risk, taking personal responsibility for their comments, username and any information provided.

Comments posted to Corna Kokosing social media sites represent the opinions of the individuals providing the comment and not the views, positions, or policies of Corna Kokosing.
